

New Year Reception and Progressive Yearbook Launch 2025

29 January 2025

17:00 - 20:00 CET

FEPS HQ, Avenue des Arts 46, 5th floor, 1000 Brussels

The Progressive Yearbook (PYB) was published for the first time in 2019-20, and is an important innovation, especially as part of the Progressive Publication family. This event is dedicated to the launch of the sixth edition of the PYB.

With the mission of bringing forward analysis of the key political developments of the year, the Progressive Yearbook focuses on transversal European issues that have left a mark on 2024. It brings insightful future-looking analysis and symbolises FEPS' readiness to put it into perspective.
